

EUROPEAN COMMISSION

DIRECTORATE-GENERAL FOR ENERGY AND TRANSPORT

DIRECTORATE D - New and Renewable Energy Sources, Energy Efficiency & Innovation
Regulatory Policy & Promotion of Renewable Energy Sources

November 2008

EU Action to promote Offshore Wind Energy

Report on the Public Consultation April–June 2008

In line with the Commission's commitment to transparent and interactive policy-making, this document aims at providing an overview and general impression of the feedback provided to the Commission in the context of a public consultation. The statements and opinions expressed in the document do therefore in no way necessarily reflect those of the Commission or the Commission services.

Annex: List of organisations submitting responses.
