

Privacy Statement

1. Open Consultation on

"A European Strategic Energy Technology Plan (SET-Plan)".

The objective of this electronic Service, is to conduct a public consultation on the European Strategic Energy Technology Plan (SET-Plan) that the European Commission is preparing.

2. What personal information do we collect, for what purpose ?

The following data are collected:

Individuals: Name, email address, telephone number, country of residence, age, gender

Organisation/Institution: Name of the organisation/institution, type of organisation/institution, country where organisation is based, size of the organisation/institution.

Contact data will be used to contact individuals, to request a clarification if necessary on the information supplied.

Other data will facilitate the synthesis and analysis of the responses as it will allow us to categorise the information according to geographical origin or according to the type of organisation/ affiliation of the individual.

3. Technical information

The system uses session "cookies" in order to ensure communication between the client and the server. Therefore, your browser must be configured to accept "cookies". However, it does not collect any personal or confidential information of any kind, nor any IP address from your PC. The cookies disappear once the session has been terminated.

4. Who has access to your information and to whom is it disclosed?

The results will be analysed by the Directorate General for Energy and Transport (Unit D2 : Innovation and technology development in energy) and the Directorate General for Research (Unit K1 : Horizontal aspects and coordination). They may be shared with other European Commission services.

An overview of the results will be published six weeks after the closing date of the consultation on the TREN Website.

The European Commission will not share data with third parties for direct marketing.

5. How do we protect and safeguard your information?

Immediately after the submission of the form, your replies are recorded in a secured and protected database hosted by the Data Centre of the European Commission . The database is not accessible from outside the Commission. Inside the Commission the database can be accessed using a UserId/Password.

Access to the application is via a non-encrypted connection using the normal http protocol.

6. How can you verify, modify or delete your information?

You have no direct access to your personal data stored in the database. If you wish to modify or delete your reply, please send a message to the contact point provided in the form.

7. How long do we keep your data?

Your personal data will remain in the database until the results have been completely analysed and will be rendered anonymous when they have been usefully exploited, and at the latest after 3 years from the end of the consultation.

8. Contact Information

In case you have questions or requests concerning the information submitted by you with this questionnaire, please contact the Controller of the file
