<p style="text-align: center;">Nomination</p>	<p>The change of political system, turned into the road hundreds of thousands of people employed in the state and in a “beautiful” day and I was unemployed. Although economist with university degree, the market looked my profession. A very first beginning I was employed to some private firms, which compiles monthly and annual balance sheets, then took to the sale-purchase of goods imports. Only in 2000 me with a partner steps together my business. This was a great school for me as a woman and a pleasure as female and family’s personality.</p>
<p style="text-align: center;">About the company</p>	<p>“Prroni” Company LTD was established in 1998. Major political change and large democratic move, closed a lot of state companies, where at one of them I worked as economist and responsible department. As a result of this I was unemployed. The need to survive and family request, with two children needs to be forced to think for a personal activity. Seeing that buildings had a large area and that construction in the city of Shkoder had stretch, I boldly and the only female began to work with marbles and granite etc, made stairs, thresholds of windows ,cemeteries and other thing with good quality.</p> <p>My activity has expanded not only in Shkoder, Tirana, Puka, Lezhe, but other Tropoje and Montenegro, which is quite liked the quality and correctness of our work</p>
<p style="text-align: center;">Raising awareness</p>	<p>member of SHGPAZ(professional, businesswomen and handcrafters) since 2007. Through my participation in local and regional workshops, seminars, conferences, my social and professional level, responsibility it is increased and improved day per day</p>
