Beba Cosmetic

Giti Balteza

| | |
|------------------------------------|--|
| Sector | Produce, produce sale, cosmetic, medical orderly |
| Region | Albania, Durres |
| Nomination as an Ambassador | Company "BC" was founded in April 1993 as a small family company for hygiene products, cosmetics. Step by step has turned into a modern factory operating in the Albanian and regional markets with a range of 56 different articles, such as shampoo, creams, solar, hair treatment, gel, hair paint with plant composition, etc.. From year to year this company has advanced and in 2002 split into two parts .Pjesa complex processing is paper, cardboard and cardboard packaging, and that is very popular today in the areas of business, with its contribution continues to ted as Beba y Cosmetic companies and JSC Edipack be Balteza family enterprise. |
| About the company | The cosmetics company is managed by me Gita Balteza together with female staff of family, while Edipack company run by other family members, Bardhyl and Redi Balteza. At both companies it works with professional staff and modern machinery. Beba Cosmetic Enterprise, where I adhere two years that is certified with ISO 9001-2000 certificate for the organization and produce company. BC is a member of Durres Chamber of Commerce and members of the Chamber of Commerce in English in Tirana. Also always being interested in business networking and we join SHGPAZ from the establishment of a branch of this association in Durres. |
| Raising awareness | I Gita Balteza ,have finished the study for elementary teacher in 1993 and for five years I worked as an elementary school teacher, and in the morning followed Beba Company Cosmetic .In 2009 I finished the Faculty of Law and I attended two training courses, one for Diplomacy and a system for ISO certification and a Training Course for marketing in Greece. All these have made all the skills acquired during my time as well as helping family members to make that company Beba Cosmetic products, continue to stay its welcome in the Albanian and regional markets. |
