<b>Nomination as an Ambassador</b>	<p>I started business with a shop 22m in 2004, which sold candy which produces its own in terms of the house I didn't know because I had not even done any course for their preparation but need to keep the family, made me to teach by myself, fancied by different cakes, which had a huge success and sales. I worked with my family for 10 years in this business. Was too much tired for me but, successfully too, because with savings during these years we managed to build a hotel, and from six years to address our business in the service of Tourism Hotels in Pogradec.</p>
<b>About the company</b>	<p>Bar-Restaurant-Hotel built in 2000 and started its activity in 2004. Before build the Hotel in the 1990 I worked in the company commercial city of Pogradec, as Treasurer, with the advent of democracy in Albania, happened major and unknown changes from us, between them and the privatization of facilities in which we worked, was incredible but realizable, a dream that for years we wished finally became a reality, now and us like all the countries of the developing world had properties, and our shops. The hotel has 20 rooms, from this Suites, double and triple rooms has a bar with 30 seats, a restaurant with 70 seats, a wonderful garden for coffee with 100 seats, parking, etc., so it is a business complete with conditions that require time today.</p>
<b>Raising awareness</b>	<p>I am Member of the Board of Business Association, Professional Albania as 6 years. In 2009 I created the Association of Craftsmen and Master of gold hand Pogradec, in support of women and girls of this city, for created the possibility of trading handicraft products as a single employment opportunity. I am Chosen by ATA Albanian Tourism Association, vice-president of the association of tourism for the region of Korca and Pogradec. I participate in several conferences at various places subordinated girls washed by the Ionian and Adriatic sea. In September 2010 the savings and credit Company "echo" nominated me Coordinator for Pogradec. I have knowledge in English, and good computer user. In my work I always had success, success which have appreciated and international organizations operating in Albania as USAID, which made possible the realization of a documentary on the topic: Looking for eternity".</p>
