

	<p>Non-public education institution “Numani” Knowledge & education progress the nations</p> <p>Suzana NUMANI</p>
<p>Sector</p>	<p>services</p>
<p>Region</p>	<p>Albania, Fier</p>
<p>Nomination as an Ambassador</p>	<p>My profession as teacher it is necessary in every system but democracy requires quality, dedication and hard work. Business in this area was unknown. It needs a lot of sacrifice to start this difficult way, but beautiful, but in the end I reached.</p>
<p>About the company</p>	<p>Company Numani operates in the educational field. The school is a contemporaneous educative center that implements advanced programs. The pupils are truly satisfied with the level of the knowledge they receive and with the teaching methods applied. Suzana has a vast experience in education and manages the business with competency. Business has been very successful, because it is very open to the new methods and concepts that are implemented in the educational field and the investments are used in the right directions.</p>
<p>Raising awareness</p>	<p>Suzana Numani is member of PBWHA since 1992, and has participated in all the activities that PBWHA and its international partners has organised during the years, in Albania and abroad. Suzana is one of the most successful business women in Albania, that is why she has been selected woman of the year 2008. Suzana’s institute is well known in all the country.</p>
