**XHENI JAUPAJ**

<b>Sector</b>	Services –Photo studio
<b>Region</b>	Albania, Fier
<b>Nomination as an Ambassador</b>	<p>Photo Studio Bele was founded in 1958 by my father Staver Bele, educated in the art of photography since a child, and then with the great political changes that happened in our country , I was fixed at photographic studio of my father at 1990. Confident to my self and to the family heritage, I continued with a lot of success this job, from employed by my father spent in the direction of Belen Studios , that’s keeps my father surname, and for three workers who had, we crossed to 18. we make the work with a lot of dedication, and thanks collaboration with my husband, children and staff I have managed to take part in competitions within and abroad, in various workshops within and outside the country. With courage and confidence in ourselves and creative work of art is to move forward even though various difficulties I have found the way and courage to open another business, Pharaoh Bar, where I have seven people employed and more success. Continue to work as a tireless activist in view mirror as the head of our association SHGPAZ , that know with commitment to lead the strong women that Albanian business.</p>
<b>About the company</b>	<p>Company is a continuation of work created since 1958 by Belen Staver with these services: Professional photo studio, photo montage, black and white picture from the color, different zoom, different processing, assembly video, filmed at various, photo porcelain, etc., which work with modern equipment and modern services. Staff where I lead is qualified.</p>
<b>Raising awareness</b>	<p>Xheni Bele Jaupaj Has been from the first years of democracy members of the Chamber of Commerce and a member of SHGPA leaders, members of KODAK in Albania and in Europe, for a professional and qualified business and a model for other women .</p>
