Nomination as an Ambassador	Sarah Maier is sure that women should go their own way confidently and fearlessly. She thinks that German craftsmanship has a good international future. She studied economics at the University of Hohenheim/Stuttgart, an MBA the University of Maastricht in Singapore and has a diploma in architecture from the Technical University Berlin. She has her own furniture collection and sees her design as a synthesis of people and ideas.
About the company	Rewarded manufacture of furniture: The joinery itself was founded 1910 by Hermann Maier in Stuttgart West. Ursula Maier heads the company since 1980 and changed its focus on interior design and architecture. Sarah Maier in the fourth generation overtook in 2007 and started to concentrate on international markets. In 2010, the company celebrated its 100 year anniversary.
