<b>Nomination as an Ambassador</b>	<p>Ramona Miedl can give many tips and advice to women who want to start their own business or have just started their own business. She would mostly like to support women in the Altmark region, in which networking is difficult because of the large area of this region.</p> <p>It is very for her to stress that the interior work is done by highly qualified coworkers. Since 2000 her company has trained young people in drywall construction and office staff.</p> <p>For more than 3 years now she has exhibiting with other women from different areas of the construction areas at the exhibition in Magdeburg – “Frauen bauen anders”.</p>
