

# Natalija Pekić

## Interijer studio KARIZMA d.o.o.

### Heos d.o.o.

<b>Sector</b>	Interior design, event management Retail and manufacturing paints and varnishes and other coating materials
<b>Region</b>	Croatia, Osijek
<b>Nomination as an Ambassador</b>	<p>Besides running two successful companies, Natalija is lecturer at the College of Family Business Management, Faculty of Economics in Osijek.</p> <p>As a representative of Croatian entrepreneurs, she participated in the State Department's "Business Development Issues for Women Business Leaders", January - February 2009. In Washington.</p> <p>She is also a wife and a mother and she had to combine work and family life.</p>
<b>About the Company</b>	<p>The company Heos d.o.o. was founded in 1993. It is 100% privately owned and successfully operates for 11 years. It is registered as a company that is engaged in wholesale, retail and manufacturing paints and varnishes and other coating materials.</p> <p>The other company, Karizma d.o.o. is a charismatic studio specialized in the preliminary designs, interior design and event management.</p>
<b>Raising awareness</b>	<p>After so many years of experience in many different areas of activities, Natalija was delighted to have a chance to send her positive vibes as well as to share a negative side of being an entrepreneur to other women, and to help them to see positive sides of running their own business.</p>
