I was born on the 29th of January 1967 and I am mother of a nineteen year old daughter.

In 1987 I started working at Brandstaetter Group as a Production Planner where I was liaising communication between Malta operations and subsidiaries in Europe, USA and Canada concerning Production Budgets, Sales Orders, delivery dates and freight logistics. I was in charge of all transport logistics from Export stores to customer door worldwide. I also, formed part of different working groups in the company whenever change was required and new manufacturing systems were implemented.

In 2004 I started working as a Client Relationship Manager at the Malta Enterprise where I was responsible for the ICT, Pharmaceuticals, Bio-technology and Health sectors in Malta, providing support to these companies and advising them about possible benefits offered by Malta Enterprise as well as assisting them in networking and positioning their products and services abroad. I also encouraged foreign investors to set up shop in Malta, showing them all the benefits the country has to offer, as well as facilitating their ways through the Maltese legal framework, authorities and other organisations. Furthermore, I promoted Malta on various Sales trips and specific missions to attract foreign investment and outsource work to Malta.

Between 2006 and 2009 I worked as an Operations Director for ADFX Holdings Ltd (later Fraser Eagle Malta), I headed Fraser Eagle operations in Malta, identifying new opportunities and developing new businesses whilst creating synergies between Malta and UK. I worked regularly with local authorities and entities to improve operations in Malta and exploit other business prospectives.
