

**Active substances in PT 8 and 14
for which no dossier was submitted at 28 March 2004**

In accordance with Article 9(5) of Regulation 2032/2003, the Commission shall inform the Member States if a situation arises where, as regards a particular existing active substance/product type combination, no dossier has been received within the time period specified in Annex V to the Regulation. That information shall also be made public by electronic means.

The following list contains the active substance notified in product types 8 (wood preservatives) and 14 (rodenticides), for which no dossiers were submitted by the deadline of 28 March 2004, and where participants had not withdrawn in accordance with Article 8(2) of the Regulation before that deadline.

Within three months of the publication of this notice, a producer, formulator, association or other person wishing to take over the role of participant as regards the existing active substance/product type combination shall inform the Commission accordingly. Such information shall be sent to:

European Commission
Directorate-General Environment
Unit B-4, Office Bu-5, 2-151
B-1049 Brussels

Or by e-mail to: ENV-Biocides@cec.eu.int

Within the same time period, Member States may indicate to the Commission that they are interested to take over the role of a participant for one or more of the listed active substance / product type combinations.

Where the Commission receives no response within three months (i.e. by 30 July 2004), a decision shall be taken not to include the existing active substance in Annex I, IA or IB to Directive 98/8/EC for the product type(s) concerned.
