

**Active substances / product type combinations
for which all participants have withdrawn**

In accordance with Article 8 (3) of Regulation 2032/2003, the Commission shall inform the Member States if a situation arises where, as regards a particular existing active substance/product type combination, all the participants have withdrawn. That information shall also be made public by electronic means.

The following list contains the active substance / product type combinations, for which all participants have withdrawn recently.

Within three months of the publication of this notice, a producer, formulator, association or other person wishing to take over the role of participant as regards the existing active substance/product type combination shall inform the Commission accordingly. Such information shall be sent to:

European Commission
Directorate-General Environment
Unit B-4, Office Bu-5, 2-151
B-1049 Brussels

Or by e-mail to: ENV-Biocides@cec.eu.int

Within the same time period, Member States may indicate to the Commission that they are interested to take over the role of a participant for one or more of the listed active substance / product type combinations.

Where the Commission receives no response within three months (i.e. by 16 December 2005), a decision shall be taken not to include the existing active substance in Annex I, IA or IB to Directive 98/8/EC for the product type(s) concerned.
