

**Active substances / product type combinations
for which all participants have withdrawn or for which no complete dossier has been submitted
within the time period specified in Article 9(2) to Commission Regulation (EC) No 1451/2007**

In accordance with Article 11(2) of Regulation (EC) No 1451/2007, the Commission shall inform the Member States if a situation arises where, as regards a particular existing active substance/product type combination, all the participants have withdrawn or no dossier has been received within the time period specified in Article 9(2) to that Regulation. That information shall also be made public by electronic means.

The following list contains active substance / product type combinations, for which all participants have withdrawn or dossiers have been rejected recently.

Within three months of the publication of this notice, a producer, formulator, association or other person wishing to take over the role of participant as regards the existing active substance/product type combination shall inform the Commission accordingly. Such information shall be sent by email to:

ENV-Biocides@ec.europa.eu

Within the same time period, Member States may indicate to the Commission that they are interested to take over the role of a participant for one or more of the listed active substance / product type combinations.

Where the Commission receives no response within three months, a decision shall be taken not to include the existing active substance in Annex I, IA or IB to Directive 98/8/EC for the product type(s) concerned.
