

**List of participants and applicants whose dossiers are being examined under the Review Programme
for existing active substances used in biocidal products
(Substances classified by EC number)**

**This list is in particular intended to facilitate the submission of collective dossiers in accordance with
Article 8(5) of Commission Regulation (EC) No 1451/2007 and to share information so as to avoid,
where possible, the duplication of testing on vertebrate animals.**

Disclaimer

**The table reflects the present situation according to the information available to the European
Commission. Comments/questions should be sent to ENV-BIOCIDES@ec.europa.eu**
