

VALIDATION OF THE ENVIRONMENTAL STATEMENT

The accredited environmental verifier
(Permit-No D-V-0021)

DR. NORBERT HILLER

herewith confirms that

HANS HUBER AG

at the site
Maria-Hilf-Str. 3, 92334 Berching

fulfils the requirements of the Council Regulation (EC) No 761/2001 allowing voluntary participation by companies in the industrial sector in a Community eco-management and audit scheme.

The environmental policy, the environmental management system, methodology and results of the environmental audit, the environmental objectives, the environmental programme and the consolidated environmental statement of the site were checked in accordance with the EC Council Regulation No 761/2001.

Berching, June 16th 2003

Dr. Norbert Hiller

environmental verifier organisation
INTECHNICA GmbH, D-V-0248

Date of the next validation is May 2006
