EMAS CLUB EUROPE

Dear Sirs,

VNU e.V. (German Association of Environmental Professionals) founded a platform for EMAS registered organisations: **EMAS Club Europe**.

The objectives of the EMAS Club Europe are:

- To support and advance the implementation of EMAS on a European and worldwide scale by increasing the recognition of current and future potentials for EMAS-registered organisations and institutions;
- To encourage knowledge transfer and best practice by providing an exclusive network for EMAS-registered organisations and institutions;
- To represent the views of the EMAS registered organisations and institutions to national and international bodies.

The EMAS Club Europe is a platform **only** for:

- **Organisations with EMAS registration and VNU corporate membership;**
- Organisations with EMAS registration or imminent EMAS registration without VNU corporate membership are invited to join an EMAS Club Europe meeting **once** as a taster meeting;
- Experts, speakers, body representatives etc. personally invited by VNU or the EMAS Club members.

EMAS Club Europe will meet on regional, national and international level. The kick-off meeting is on February 8, 2012 at the Federal Environmental Ministry (BMU) in Bonn. The kick-off meeting as well as the regional meetings will be free of charge.

Are you interested in joining the EMAS Club Europe and/or the kick-off meeting? Please let us know by returning the attached form to VNU office by E-Mail (vnu@vnu-ev.de) or contact the VNU Office by phone for further information +49 (0) 700 - 868 11 223.
