Subject: PUBLIC CONSULTATION ON THE FUTURE EU 2020 STRATEGY

Dear Madam/Sir,

Please find attached the comments regarding the EU 2020 Strategy submitted within the framework of the European Network of Environmental Authorities-Managing Authorities (ENEA-MA).

Please note that the views presented in the attached documents are a compilation of a network input within the framework of ENEA-MA, and as such are not a compilation of official member state positions, nor do they reflect a consensus position of the network.

We have included two documents: 1. general comments to the Strategy and 2. specific comments incorporated within the text of the Strategy.

The ENEA-MA provides a forum for the exchange of experience among national environmental and managing authorities on the environmental integration into Cohesion Policy.

If you have any further questions concerning the network or particular contributions, please contact: agata.payne@ec.europa.eu.

I wish you all the best in reviewing the Strategy.
