### Preparing for the future of LIFE's role in EU nature conservation

As Head of the LIFE Nature Unit, Angelo Salsi has spent much of his last year overseeing progress of these two LIFE + Components and preparing the ground for the next period of LIFE Programme funding from 2014-2020.

### Planning for LIFE Environment's continued success

The proposal of the new LIFE regulation was an "important step", according to Hervé Martin, Head of the LIFE Environment and Eco-Innovation Unit. The new regulation increases the amount of funding for the programme and introduces a new climate change aspect.
