

Declaration of Commitment of the CIBERehd to the Principles of the European Charter of Researchers and the Code of Conduct for the Recruitment of Researchers

The Centro de Investigación en Red de Enfermedades Hepáticas y Digestivas (Ciberehd) - *Networked Biomedical Research Center for Hepatic and Digestive Diseases*- having examined the general principles laid out in the European Commission's recommendation of March 11th, 2005 on the European Charter of Researchers and the Code of Conduct for the Recruitment of Researchers hereby expresses its full support to the Recommendation.

In accordance with its internal policies, Ciberehd commits itself to apply the stated principles to its own human resource policy for researchers, and to guarantee transparency, accessibility and equity for the recruitment of researchers.

By adhering to this Recommendation, it aims at contributing to creating and adequate a framework for researchers and to building a European Research area.
