

China Links Thematic Meeting

Towards an EU-China Partnership in Urbanisation Research

21 February, 2012

Date of the meeting: Tuesday morning, 21 February, 2012

Time: 9:15 – 12:15 am + Lunch 12:15 – 13:30

Location: Delegation of the European Union, South Wing, Galileo Room
15 Dongzhimenwai Street, Sanlitun, Beijing

Meeting's goal: Learn about each other's activities, inform about the forthcoming EU-China Partnership on Urbanization, discuss how it might impact ongoing and future activities and how to feed the research component of the Partnership.

Targeted participants: Stakeholders from the European side involved in urbanization-related research cooperation with China.

The theme of 'urbanisation' covers the following topics:

- Energy efficiency and low carbon development (including air quality)
- Mobility
- Water and waste management
- Integrated urban-rural policy planning

Registration: Jacques.desoyres@euraxess.net

Agenda

9:15 – 9:45: Coffee/ Breakfast

9:45 – 10:30: Introduction

- Welcoming Note, Philippe Vialatte, Science, Technology and Environment section, EU Delegation to China
