

INFO Regional Cooperation Programmes

Country- Briefings

They compile the essential information on the participation of each one of the LA countries in the Regional Cooperation Programmes for all Latin America

They contain information of:

- the country profiles (Geography, Population, Economy and Finances)
- the context of Regional Cooperation towards LA
- the new areas of cooperation for LA
- the situation of the regional cooperation programmes + respective data and previewed events per country

They are updated:

2 X a year: January and July

Responsibility of edition:

AIDCO Unit B.2 Centralised Operations: Latin America

Where they can be consulted (*only EN*):
