## HOLIDAY AND BUSINESS TRIPS WITHOUT OVERNIGHT STAYS (SAME-DAY VISITS)

### Question T1

Up to now, it has been about trips with overnight stays. Now it is about day trips, i.e. trips without an overnight stay. All trips outside the usual environment, such as the municipality of residence or the place of work, are considered day trips. Only regular trips are excluded, for example, on average every second week or more often.

Did you make a day trip for personal or professional purposes in October, November or December 2022?

### Question T2

How many day trips **within Austria** did you make in October, November or December 2022?

### Question T3

And how many of these day trips within Austria were for personal purposes?

### Question T4

You will now be asked a few more questions about one of your personal domestic day trips. So please think of one of these trips now:

### Question T5

How many people in your household were you with on this day trip? Please include yourself!

### Question T6

How many of them were children under the age of 15?

### Question T7

How much did the whole day trip cost? Please consider expenses for entrance fees, tickets, food and expenses for the outward and return journey – such as fuel, as well as ALL other expenses related to the trip and for all household members travelling.

### Question T8

You have also made day trips in Austria for professional purposes. Is that correct? You will now be asked a question about one of these trips. So please think about one of these trips:

### Question T9

How much did the whole day trip cost?

Please consider expenses for tickets, meals and expenses for the outward and return journey as well as all other expenses in connection with the excursion.

Please also include any expenses paid by your employer! Please indicate the expenses per person

### Question T10

How many day trips **abroad** did you make in October, November or December 2022?

### Question T12

What was the reason for this day trip?

- Personal reasons (e.g. a day trip for recreational, leisure or shopping purposes)
