Treatment prescribed in the ESSPROS manual and user guidelines.....	12
Legal references	12
Treatment in practice	13
1.3.8. New treatment of payable tax credits in National accounts	13
1.4. Conclusions.....	14
1.4.1 Main conclusions	14
1.4.2 Recommended modifications in the ESSPROS Manual	14
1.4.3 Recommended modifications to the ESSPROS regulation(s)	18
1.5. Examples	18
2. Collective services	20
2.1. Summary.....	20
2.2. Problem statement.....	20
2.3. Analysis	20
2.3.1 Collective services in ESSPROS.....	20
2.3.2 Note on COFOG (Classification of Functions of Government)	22
2.4. Conclusions.....	23
2.4.1 Main conclusions	23
2.4.2 Recommended modifications in the ESSPROS Manual/legislation	23
2.5. Examples	24
2.5.1 Citizens Information Board, Ireland	24
3. Definition of means-tested benefits.....	25
3.1. Summary.....	25
3.2. Problem statement.....	25
3.3. Analysis	26

3.3.1	Implicit vs explicit means-testing	26
3.3.2	Entitlement, amount or both.....	26
3.3.3	Comparability vs representativeness.....	27
3.3.4	Implementation in practice.....	27
3.4.	Conclusions.....	28
3.4.1	Main conclusions	28
3.4.2	Recommended modifications in the ESSPROS Manual/legislation	28
3.5.	Examples	29
3.5.1	Means-tested social benefits, Italy.....	29
3.5.2	Means-tested social benefits, Romania.....	29
4.	Withheld taxes and withheld social contributions.....	30
4.1.	Summary.....	30
4.2.	Problem statement.....	30
4.3.	Analysis	31
4.4.	Conclusions.....	33
4.4.1	Main conclusions	33
4.4.2	Recommended modifications in the ESSPROS Manual/legislation	33
4.5.	Examples	35
4.5.1	Pensioners Solidarity Contribution, Greece.....	35
4.5.2	Contributions associated with unemployment benefits, Spain.....	36
5.	Social contributions: Ensuring consistency between the Core system and the Net module	37
5.1.	Summary.....	37
5.2.	Problem statement.....	37
5.3.	Analysis	37
5.3.1	Social contributions paid by pensioners and other persons (2123000)	38
5.3.2	Average itemised social contribution rates (AISCR).....	38
5.3.3	Comparing the data	39
5.3.4	Plausibility checks.....	41
5.4.	Conclusions.....	42
5.4.1	Main conclusions	42
5.5.	Examples	42
5.5.1	Latvia	43
	Social contributions paid by pensioners and other persons (2123000) in the Core system	43
	Social contributions inferred by applying the AISCRs in the Net module	43
	Applying the plausibility check and investigation by Latvia	44
6.	Capital transfers.....	45
6.1.	Summary.....	45

6.2. Problem statement	45
6.3. Analysis	46
6.3.1 Capital transfers: definition and treatment in national accounts	46
Definition of capital transfers.....	46
Treatment of capital transfers	46
6.3.2 Capital transfers in ESSPROS: Methodology	47
Capital transfers and receipts	47
Capital transfers and expenditure	50
Recording capital transfers	52
6.3.3 ESSPROS and capital transfers: In practice	52
6.4. Conclusions	54
6.4.1 Main conclusions	54
6.4.2 Recommended modifications in the ESSPROS Manual	54
Part 1.....	54
Part 2.....	57
6.4.3 Recommended modifications to the ESSPROS regulation(s).....	58
6.5. Examples	58
7. Benefits and recipients above/below the standard retirement age	60
7.1. Summary	60
7.2. Problem statement	60
7.3. Analysis	61
7.3.1 Purpose of establishing the retirement age for ESSPROS.....	61
7.3.2 Guidance in the ESSPROS Manual and user guidelines	61
7.3.3 Possible improvements to the guidance	63
7.4. Conclusions	65
7.4.1 Main conclusions	65
7.4.2 Recommended modifications in the ESSPROS Manual	65
Part 2.....	65
APPENDIX I: The ESSPROS questionnaire detailed classification.....	67
APPENDIX III: Methodology of the module on pension beneficiaries.....	67
7.4.3 Recommended modifications to the ESSPROS regulation(s).....	67
Commission Regulation (EC) No 10/2008	67
8. Re-routed social contributions	68
8.1. Summary	68
8.2. Problem statement	68
8.3. Analysis	69
8.3.1 Re-routed social contributions	69
8.3.2 Treatment of type ii re-routed social contributions.....	70
8.3.3 Breakdown of expenditure on re-routed social contributions by function	70
8.4. Conclusions	71

8.4.1	Main conclusions	71
8.4.2	Recommended modifications in the ESSPROS Manual	72
	Treatment of type ii of re-routed social contributions	72
	Treatment of re-routed social contributions on the expenditure side	72
8.4.3	Recommended modifications to the ESSPROS regulation(s)	72
