

IUU Regulation (EC) n° 1005/2008 of 29 September 2008

## **TEMPLATES OF CATCH CERTIFICATES USED BY THIRD COUNTRIES**

These are public links under which you can access to the templates of the catch certificates used by the third countries and notified to the Commission.

Please note that this list is not exhaustive and will updated on a regular basis.

Being on this list is not a pre-requisite to export to the EU, as this list is for information only.
