CSF monitoring program 2010

SCoFCAH, Brussels, 8 - 9 November 2011

CSF monitoring program 2010

CSF monitoring program

- Monitoring program in domestic pig population
 - Monitoring for large pig farms
 - Monitoring program for other pig holdings
- Monitoring in wild boar population

Monitoring in domestic pig population

- Monitoring program for large pig farms (5)
 - 25 blood samples – breeding sows - each quarter
 - 10 blood samples – fattening pigs - each quarter

Monitoring program in domestic pig population

Monitoring program for other pig holdings

- Herd based sampling scheme to detect a 1% level of sero-positive herds with 95% confidence (149 pig herds) combined with the risk based approach
 - sampling in breeding herds
 - sampling in small breeding herds
 - holdings in the border region to Croatia due to the CSF outbreaks in the border region with Slovenia
 - investigation of fallen stock collected by VHS (Veterinary Hygienic Service) in regional units of NVI
- Detection of within-herd prevalence of 5% with 95% confidence in breeding herds, also combined with risk based components
 - purchased breeding pigs
 - pigs with health problems

Monitoring program in wild boar population

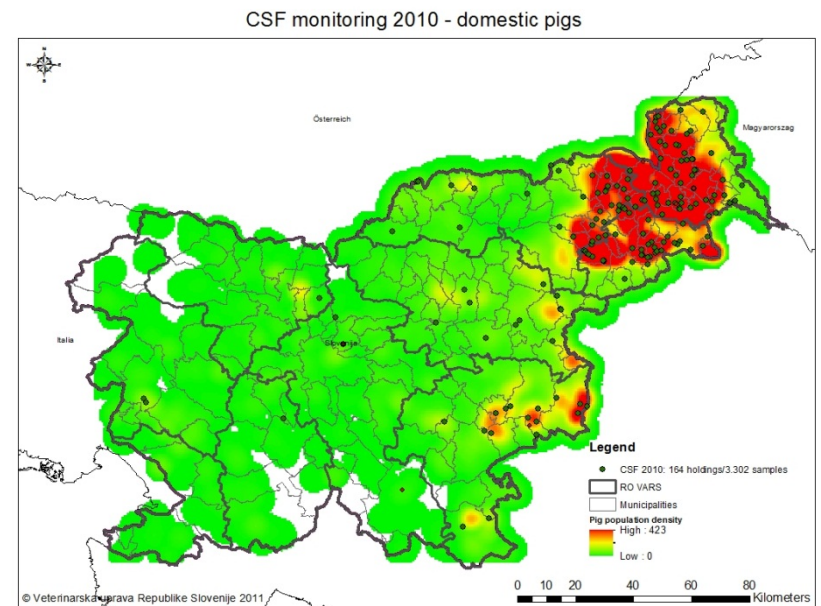

Monitoring program in wildboar population

- Random sampling: 406
- Risk-based
 - found dead wild boars and road-kills
 - all (as much as possible) samples of wild boar shot along the border with Croatia

Results of 2010 CSF monitoring program

- Monitoring in domestic pig population
 - Testing of large pig farms and randomly selected farms (ELISA)
 - 164 holdings
 - 3.302 samples
 - All negative
 - Testing of fallen stock (PCR)
 - 254 samples
 - All negative

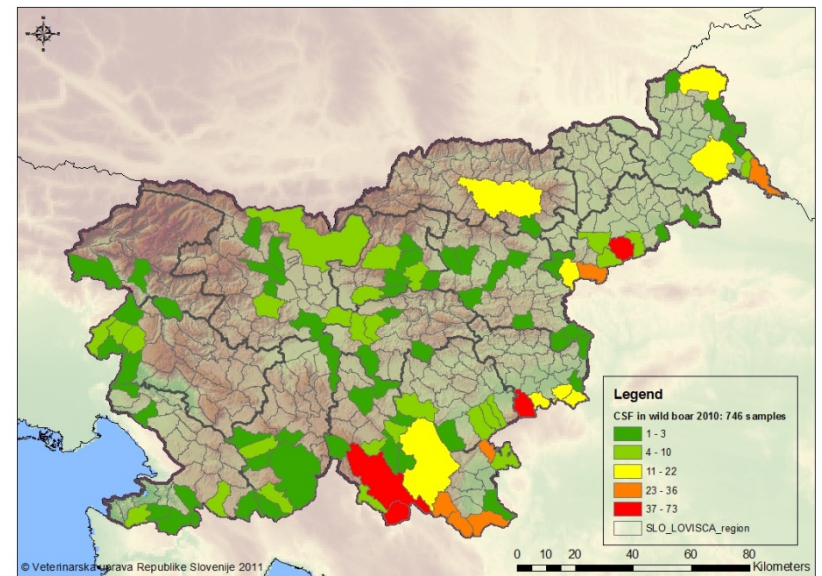

Results of 2010 CSF monitoring program

- ❑ Monitoring in wild boar population
 - 746 samples taken
 - Random sampling
 - ❑ 406 samples
 - Risk-based samples
 - ❑ 340 samples from risk area
 - ❑ 18 samples - fallen stock (PCR)
 - all negative

CSF monitoring program 2010 - wild boar

Financial aspect

- Commission Decisions 2009/883/EU and 2010/732/EU
 - approved 30.000 €
 - final report and payment application 18.000 €
