Privacy statement

Purpose and scope of personal data processing:

The publication of the document "Contacts of European Professional Organisations" on the website is mainly meant as an information service as it allows better contacts with business, civil society and public actors in the field of Food Contact Materials.

DG Health and Consumers will record and further process the personal data to the extent that the document "European Professional Organisations" can be made available on the website of Health and Consumer Protection, Food Contact Materials in the section "Documents". The link to the section is [http://ec.europa.eu/food/food/chemicalsafety/foodcontact/documents_en.htm].

The information collected, the purpose and the way of data collection

The information contains contact details of European Professional Organisations related to and / or with whom the Section Food Contact Materials of DG Health and Consumers is in contact.

Collection of personal data from the mentioned persons was done after request by e-mail.

Your data are recorded and stored as long as follow-up actions are needed.

Your data will be handled in conformity with Regulation (EC) N° 45/2001 on the protection of individuals with regard to the processing of personal data by Community institutions and bodies and on the free movement of such data. (http://ec.europa.eu/geninfo/legal_notices_en.htm#personaldata).

Right of rectification & personal data controller:

Should you require further information concerning the processing of your personal data or exercise your rights (e.g. access or rectify any inaccurate or incomplete data) please contact the person responsible in the Unit for updating of the website on food contact materials, SANCO-FCM@ec.europa.eu.

You have the right of recourse at any time to the European Data Protection Supervisor at [edps\(a\)edps.europa.eu](mailto:edps(a)edps.europa.eu).
