Privacy statement

Purpose and scope of personal data processing:

The legal basis for processing personal data is the Article 13 of the Framework Regulation (EC) No 1935/2004. It describes the following: "Each Member State shall notify to the Commission and to the Authority the name and address, as well as a contact point, of the national competent authority or authorities designated to be responsible in its territory for receiving the application for authorisation referred to in Articles 9 to 12. The Commission shall publish the name and address of the national competent authorities as well as the contact points notified in accordance with this Article".

DG Health and Consumers will record and further process the personal data to the extent that the document "Member States Contact Points for Applications" can be made available on the website of Health and Consumers, Food Contact Materials in the section "Documents". The link to the section is [http://ec.europa.eu/food/food/chemicalsafety/foodcontact/documents_en.htm].

The information collected, the purpose and the way of data collection

The name and address of the national competent authorities is collected to be included in this document 'Member States Contact Points for applications'. Your data are recorded and stored as long as follow-up actions are needed.

Your data will be handled in conformity with Regulation (EC) N° 45/2001 on the protection of individuals with regard to the processing of personal data by Community institutions and bodies and on the free movement of such data. (http://ec.europa.eu/geninfo/legal_notices_en.htm#personaldata).

Right of rectification & personal data controller:

Should you require further information concerning the processing of your personal data or exercise your rights (e.g. access or rectify any inaccurate or incomplete data) please address to the SANCO-CONSULT-E6@ec.europa.eu).

You have the right of recourse at any time to the European Data Protection Supervisor at edps@edps.europa.eu.
