The State Food and Veterinary Service of the Republic of Lithuania presents only one comment to the Draft report of FVO Audit to Lithuania – BIP at Kybartai road – 04-05/04/2013 No. DG(SANCO)2013-6962:

Words "Border Control Department" should be replaced with "Border Food and Veterinary Control Department" in Draft report paragraph 1 "Introduction".

Please find attached the Action plan for the single given Recommendation.

We are looking forward to receiving your comments.
