The button “**Previous**” available at the bottom of each page allows you to go back to the questions of the previous page(s).

The questionnaire can be filled in at different stages and not necessarily in one shot.

If you want to interrupt the survey, please **click first** on the button “**Next**” at the bottom of the page to save your answers. **Click afterwards** on the button “**Close**” (  ) at the top right of the page to exit the survey. If you connect yourself to the link (i.e. the link to the online questionnaire indicated on the ‘Evaluation’ web page of DG SANCO) from **the same computer** at another stage, you will find your answers.

At the end of sections 1, 2 and 3, you may choose between going to the next section, going directly to another section and/or going to the end of the questionnaire.

When you have finished the survey, please **go to the end of the questionnaire** and click on the button “**Next**” available on the last page. This action will save your answers and send them to our electronic database.
