

From the Ministry of Industry and Technology:

**COMMUNIQUÉ ON TS EN 60282-1 HIGH-VOLTAGE FUSES -- PART 1:  
CURRENT-LIMITING FUSES  
(COMMUNIQUÉ NO: MSG – MS – 2019 / )**

**Purpose**

**ARTICLE 1** – (1) The purpose of this Communiqué is to identify issues related to the implementation of revision of “TS EN 60282-1 (February 2012) High-Voltage Fuses - Part 1: Current-Limiting Fuses” standard.

**Scope of this Standard**

**ARTICLE 2** – (1) This standard covers all types of high-voltage current-limiting fuses designed for use outdoors or indoors on alternating current systems of 50 Hz and 60 Hz and of rated voltages exceeding 1 000 V.

(2) Some fuses are provided with exchange elements equipped with indicator device or warning element. These fuses are also within the scope of this standard, but the correct operation of the excitation element with the tripping device of the switching device is out of the scope of this standard (IEC 62271-105).

**Legal Basis**

**ARTICLE 3** – (1) This Communiqué; has been drawn up based on the Presidential Decree Law No 1 .on Organisation of the Presidency published in the Official Journal numbered 30474 and dated 10/7/2018 ; Law No. 1705 on the Prevention of Adulteration in Trade and Supervision and Protection of Exports dated 10/6/1930; Presidential Decree No 4 on the Organization of Affiliated, Related, Associated Institutions and Institutions and Other Institutions and Organizations which are affiliated to Ministries published in the Official Journal numbered 30479 and dated 10/7/2018 and Regulation on Mutual Recognition in Non- Harmonised Area that was put into force with the Decision No. 2012/3169 of the Council of Ministers dated 2/5/2012.

**Putting into Effect**

**ARTICLE 4** – TS EN 60282-1 “ High-Voltage Fuses - Part 1: Current-Limiting Fuses” standard is canceled. Instead, TS EN 60282-1 (February 2012) “ High-Voltage Fuses - Part 1: Current-Limiting Fuses” was adopted, decided to be published in the meeting of Technical Board of Turkish Standards Institution (TSE) dated 21/02/2012 and has been put into effect as mandatory in manufacturing and placing on the market stages.

**Compliance Obligation**

**ARTICLE 5**– (1) Those who produce and place products on the market within the scope of TS EN 60282-1 (February 2012) “ High-Voltage Fuses - Part 1: Current-Limiting Fuses” Standard shall be obliged to comply with the provisions of this Communiqué.

**Mutual Recognition Clause**

**ARTICLE 6** – (1) The provisions of this Communiqué on TS EN 60282-1 (February 2012) “ High-Voltage Fuses - Part 1: Current-Limiting Fuses” shall not apply to the products which were legally produced or put into free circulation in a Member State of the European Union.

(2) Nonetheless, the Ministry of Industry and Technology may submit the product referred to in paragraph (1) to an evaluation following the rules and procedures laid down in Chapter Three of Regulation on Mutual Recognition in Non-Harmonised Area which was put into force by Decision of Council of Ministers No. 2012/3169 of 2/5/2012 and as a result of this evaluation if it finds out that this product does not provide a level of protection equivalent to that sought by this Communiqué on TS EN 60282-1 (February 2012) “ High-Voltage Fuses - Part 1: Current-Limiting

Fuses” it may prohibit placing on the market of the product, make its placing on the market subject to prior conditions or have the product withdrawn or recalled from the market.

#### **Provision**

**ARTICLE 7** – (1) TS EN 60282-1 (February 2012) “High-Voltage Fuses - Part 1: Current-Limiting Fuses” standard shall be obtained from the central organization or provincial representative offices of TSE. Contact information can be accessed from the website of the TSE.

#### **Repeal**

**ARTICLE 8** – (1) TS 1259 “Current Limiting High-Voltage Fuses” Standard which was put into effect as mandatory with the decision of the Council of Ministers numbered 7/14946 that was published in the Official Gazette No: 16249 and dated 27/02/1978 has been repealed.

(2) The annex of the Communiqué on the Conformity to Turkish Standards and the TSE Brand published in the Official Gazette dated 4/2/2000 and numbered 23954 has been removed from the list.

#### **Entry into Force**

**ARTICLE 9** – (1) This Communiqué shall enter into force six months after its publication.

#### **Enforcement**

**ARTICLE 10** – (1) The provisions of this Communiqué shall be enforced by the Minister of Industry and Technology.
