

To make more use of the support offered by structural funds to train and re-skill health professionals

To improve the use of the structural funds for the development of the health workforce

Enhancing the use of structural funds to improve working conditions

To ensure suitable training to enable health professionals to make the best use of new technologies

To take action to encourage the use of new information technologies

To ensure inter-operability of new information technology

To ensure better distribution of new technology throughout the EU

Yours sincerely

Oliver Clinton
