# Background and quick facts

- In a 2004 inventory 100 NGOs indicated to need a tool that would facilitate access to European good practices
- The realization of the Clearinghouse was part of the project “European Partners in Action on AIDS (2006-2008) funded within EU Public Health Programme 03-08
- The Clearinghouse was built onto [www.aidsactioneurope.org](http://www.aidsactioneurope.org) and launched in March 2007
- The Clearinghouse seeks to meet the need of the wider European Region and is therefore available in English and Russian
- Continuation through operating grant new EU Public Health Programme

# User satisfaction and future plans

- At the end of 2008 the Clearinghouse had 490 user accounts, 554 uploaded good practices which were downloaded more than 27000 times
- A large-scale usability test was carried out in 2008 and generated responses about the content, accessibility and design
- A pop-up survey measured positive opinions from more than 100 users on relevance, clarity, completeness and usability of the information
- Recommendations from the evaluation will be implemented in April.
