

Scientific Committee on Consumer Safety (SCCS)

WG on 'Nanomaterials in Cosmetic Products'

Venue: Luxembourg

Minutes 05 September 2013

1. Welcome and apologies

The Chair welcomed the participants. Three apologies was announced by the Chair.

2. Adoption of the agenda

The agenda was adopted as it was presented.

3. Declaration of interest on matters on the agenda

No potential risk of conflict of interest was declared.

4. Information from chairman/members

- A meeting with SANCO risk management unit was organised end of July to check the incoming "nano applications" and plan the future work.
- The consultation period for comments on opinions published during summer has been extended until 18 September to give more time to the public to submit their comments.

**5. Carbon Black (nano form), draft opinion
SCCS/1515/13**

–

The preliminary opinion was deeply discussed and input from different experts is still expected by the next WG meeting.

6. Comments on opinions from Plenary in 2013

**S75, TiO₂ (nano form) draft opinion
SCCS/1516/13**

–

Comments were discussed and more are expected. This topic will be further discussed at the plenary meeting on 19/9.

7. Any other business

Next meetings are foreseen on 28 October, 25 November and 04 December 2013.
