

Scientific Committee on Consumer Safety (SCCS)

WG on 'Nanomaterials in Cosmetic Products'

Minutes 07 April 2014 (AUDIO)

1. Welcome and apologies

The Chair welcomed the participants. Four apologies were announced by the Chair.

2. Adoption of the agenda

The agenda was adopted as it was presented.

3. Declaration of interest on matters on the agenda

No potential risk of conflict of interest was declared.

4. Information from Chair/members/Commission

The chair informed that applicants received request for additional information on Silica. The clock is stopped for 6 months delay (22 September 2014).

5. Comments on previous opinions

ZnO Addendum

(SCCS/1518/2013)

The remaining comment has been replied and a revision of the addendum on the opinion has been finalised. The written procedure for adoption will follow shortly prior to publication planned end of April.

TiO₂

(SCCS/1516/2013)

The additional clarifications from the applicant received recently were assessed and the revision of the opinion, based on all comments received, has been finalised. The written procedure for adoption will follow shortly prior to publication planned end of April.

6. Any other business

Next meeting will be planned according to any new mandates.
