

Scientific Committee on Consumer Safety (SCCS) WG on Cosmetic Ingredients

Venue: Luxembourg

Meeting date: 20 May 2014

Minutes

1. WELCOME AND APOLOGIES

The Chair welcomed the participants. Four apologies were announced by the Chair.

2. ADOPTION OF THE AGENDA

The agenda was adopted as it was presented.

3. DECLARATION OF INTEREST ON MATTERS ON THE AGENDA

No declaration of potential conflict of interest was made.

4. INFORMATION FROM THE CHAIR, MEMBERS AND THE COMMISSION:

The Commission informed about IT tests during the next WG meeting in order to improve audio quality, as well as about the future invitation of SCCS observer to the ECVAM Stakeholder forum (ESTAF).

The Chair reminded the group about the follow-up of the joint opinion SCHER-SCENIHR-SCCS on Synbio: the written procedure for adoption of the first part of the mandate (definition) should start next week.

5. DRAFT OPINIONS ON

• UV FILTER HAA299 (FAT 75'808)

The draft opinion was discussed and need further discussion at the next WG meeting (03/06).
