

Scientific Committee on Consumer Safety (SCCS)

WG on 'Nanomaterials in Cosmetic Products'

Minutes 29 August 2014 – AUDIO meeting

1. Welcome and apologies

The Chair welcomed the participants. Three apologies were announced by the Chair.

2. Adoption of the agenda

The agenda was adopted as it was presented.

3. Declaration of interest on matters on the agenda

No potential risk of conflict of interest was declared.

4. TiO₂ – submission 2014

The Chair made a short review on the submitted file and contributions received from the group. The Chair will update the text according to the last input expected from colleagues, to discuss it at the next WG meeting (10/9) in order to bring it to the table at the plenary meeting (23/9).

5. Hydroxyapatite

The group revised the updated review made according to input received. Some contributions are still expected. The file will be further discussed at the next WG meeting in order to take a decision about questions planned to be sent to Applicants at this stage. If so, they would need adoption at the next plenary meeting first.

6. Clarification request from Member States on the meaning of the term “sprayable applications/products” for the nano forms of carbon Black, TiO₂ and ZnO.

Some proposals for clarification were made. The Chair will update the text according to the last input/comment expected from colleagues, and will send it for final discussion at the next meeting so that it may be brought to the table at the next plenary meeting.

7. Any other business

Next meeting is planned to take place on the 10th of September.
