

# Workshop on Synthetic Biology

## *From science to policy and societal challenges*

2, avenue de l'Université, L-4365 Esch-Sur-Alzette, Luxembourg  
(Maison du savoir)  
10 December 2015

### DRAFT PROGRAMME

Thursday 10 December 2015

09:00 – 09:30	<b>Registration time</b>
09:30 – 09:45	<b>Welcome and opening</b> <i>Luxembourg Presidency and European Commission – DG Health and Food Safety</i>
09:45 – 10:00	Introduction: What is Synthetic Biology? What are the fields of its application? Challenges and future developments. <i>Prof. Freemont – Imperial College London</i>
10:00 – 10:15	Synbio and the European Commission. Reasons for the mandate <i>Stefan Schreck – European Commission – DG Health and Food Safety</i>
10:15 – 11:00	Presentation of the SCENIHR opinions on SynBio <ul style="list-style-type: none"><li>• <i>Opinion I – Definition</i> (<i>Theo Vermeire – Chair of the working group on synthetic biology, SCENIHR member</i>)</li><li>• <i>Opinion II – Risk assessment methodologies</i> (<i>Markus Schmidt – External expert of the working group on synthetic biology</i>)</li><li>• <i>Opinion III – Research priorities</i> (<i>Michelle Epstein – Member of the working group on synthetic biology, SCENIHR member</i>)</li></ul>
11:00 – 11:20	<b>Coffee break</b>

11:20 - 11:45	<b>Question time</b>
11:45 - 12:00	Synthetic biology and GMOs <i>European Commission - DG Health and Food Safety</i>
12:00 - 12:15	Potential impacts of synthetic biology on the conservation and sustainable use of biological diversity <i>European Commission - DG Environment</i>
12:15 - 12:30	Synthetic biology from the perspective of the European Research and Innovation policy <i>European Commission - DG Research</i>
12:30 - 12:45	Medical applications of synthetic biology <i>European Medicines Agency</i>
12:45 - 13:00	Alternative Feedstock for the Chemical Industry – Carbon Utilization <i>European Commission - DG Growth</i>
13:00 - 14:15	<b>Lunch</b>
14:15 - 14:45	Member States initiatives
14:45 - 16:00	<b>Panel discussion on synthetic biology: 'From science to policy and societal challenges'</b> Panel: Scientists, Member States, the European Commission
16:00 - 16:15	<b>Closing remarks</b> <i>European Commission - DG Health and Food Safety and Luxembourg Presidency</i>
