### Special clause n° 41: Complementary grant agreements

1. In addition to the provisions of Article II.1, the following definitions shall apply to this *grant agreement*:

(a) **Complementary grant agreements** means agreements concluded with the *Union* in respect of work complementary to the *project* and referred to in paragraph 2 below.

(b) **Complementary beneficiary** means a *beneficiary* of a *complementary grant agreement* to this *grant agreement*.

2. This grant agreement is complementary to the grant agreement(s) resulting from the selection of Call(s) [name of the Call(s)].

3. *Complementary beneficiaries* enjoy the rights and bear the obligations of *beneficiaries* with regard to Articles II.32, II.33 and II.34 of Annex II {Access Rights}. However, for *complementary beneficiaries*, these rights and obligations are limited to *foreground* only and do not extend to *background*. *Complementary beneficiaries* are not members of the *consortium* for the purpose of this *grant agreement*.

4. The *coordinator* shall provide copies of the reports referred to in Articles II.4.1 a), II.4.2 a) and II.4.2 b) of Annex II to the *coordinator(s)* of the *complementary grant agreement(s)*. *Complementary beneficiaries* shall treat this information in accordance with Article II.9 {Confidentiality} and Part C of Annex II {Intellectual Property Rights, Use and Dissemination}.

5. Coordination between *complementary grant agreements*:

(a) The *complementary beneficiaries* are deemed to have concluded a written agreement regarding the coordination between *complementary grant agreements*.

(b) In order to ensure coherence of the work undertaken under *complementary grant agreements*, *beneficiaries* will be required to create and participate in boards and advisory structures together with representatives from *complementary grant agreements*. The beneficiaries of these *complementary grant agreements* shall collectively address collaboration and synchronisation of activities, including on issues such as management of outcomes, common approaches towards standardisation, SME involvement, links with regulatory and policy activities, and commonly shared dissemination and awareness raising activities.
