# How Ideal-ist finds partners for you

## Step 1

Proposer inserts a new **Partner Search (PS)** online

## Step 2

The PS is checked by a **local representative** & then by a **quality team**

## Step 3

The PS is **published & distributed** to subscribers of the **national Ideal-ist mailing list**

## Step 5

The proposer replies to Eols & **chooses partner(s) and builds consortium**

## Step 4

Potential partners send **Eols (Expressions of Interest)** to the proposers

# Ideal-ist Success Story

## So far in FP7

- **313 partner searches** published with a **Quality Label** 
- these represent **8,4% of the total proposals** submitted in ICT calls
- More than **14.000 responses (Eoi)** generated
- **> 90%** of the cases find **suitable partners**
- **~ 80%** of the cases finally **submit a proposal**
- **between 22% and 42%** of these are evaluated **over thresholds**  
(depending on the call), with an average before always over 11/15

# How to get started

The screenshot shows the Ideal-ist website interface. At the top, there is a navigation bar with links for "Home", "Partner Search", "Service Search", "Events", "About Ideal-ist", "Representatives", and "ICT Programme". A search bar is located in the top right corner. The main content area is titled "Partner Search" and includes a sub-heading "How do I use the Partner Search Service?". Below this, there are several bullet points providing instructions for new users, those looking for open searches or competitive calls, and registered proposers. A sidebar on the right contains a login form with fields for "Login Name" and "Password", a "Log in" button, and links for "Forgot your password?" and "New Proposer?". Below the login form, there is a "News" section with a headline "Swiss ICT Summit" dated "16 November 2007", and a "Mailing-list" section with a "Subscribe now" button.
