Principle 1: Raise awareness of safety education messages and acceptable use policies to users, parents, teachers and carers in a prominent, clear and age-appropriate manner			
According to its self-declaration:			
	<i>Yes (relevant quote from the self-declaration)</i>	<i>No info provided in the self-declaration</i>	<i>Not applicable¹ to this SNS (relevant quote from the self-declaration)</i>
Does the provider include information on terms of use in their self-declaration?	Yes “ IRC-Galleria has clear instructions and rules for the users, which are shown upon registration and which can be easily found in the site navigation. These instructions are clearly separated from the T&C. The instructions explain in an easily understandable language how the service should be used, the do's and don't's, safety tips, and a special section for under 18 year-olds.”		
Does the provider include information on safety in their self-declaration?	Yes “The instructions

	explain in an easily understandable language how the service should be used, the do's and dont's, safety tips, and a special section for under 18 year-olds."		
Does the provider include information on privacy in their self-declaration?	Yes "The basic idea of IRC-Galleria is clearly stated: people are not supposed to act anonymously, i.e. everyone needs to have a clearly identifiable main profile picture."		
Does the provider state that the safety information is targeted (info specifically targeted at children)?	Yes "...how the service should be used, the do's and dont's, safety tips, and a special section for under 18 year-olds."		
Does the provider state that the safety information is presented in a prominent way?	Yes IRC-Galleria has clear instructions and rules for the users, which are shown upon registration and which can be easily found in the site navigation. These instructions are clearly separated from the T&C.		

	<p>The instructions explain in an easily understandable language how the service should be used, the do's and dont's, safety tips, and a special section for under 18 year-olds. The basic idea of IRC-Galleria is clearly stated: people are not supposed to act anonymously, i.e. everyone needs to have a clearly identifiable main profile picture. Users also get safety messages when building their profile and using the community: e.g. when posting pictures users are reminded of what this means, i.e. once posted you might never get the content away from the Internet.</p>		
<p>Does the provider state that the safety information is accessible?</p>	<p>Yes</p>		
<p>Does the provider state that the safety information is easy to understand?</p>	<p>Yes</p> <p>The instructions explain in an easily understandable language how the service</p>		

	should be used, the do's and dont's, safety tips, and a special section for under 18 year-olds.		
Does the provider state that the safety information is presented in a practical format?	Yes See above		
Does the provider state that the safety information provides guidance regarding inappropriate content and conduct and information on the consequences of breaching the Terms of Service?	Yes IRC Galleria safety approach presented in self declaration gives a view on what to do with inappropriate content. Also "Sulake works hand-in-hand with local authorities and immediately reports any inappropriate behavior or people to these local authorities."		
Does the provider state that the service includes information on links to educational material and technical controls for parents?		No Though information is available in the service	
Does the provider state that the service provides advice/link to advice for teachers?		No

Does the provider indicate in the self-declaration that users are provided with the information they need to make an effective report and, where appropriate, an indication of how reports are typically handled?	Yes See above	

Principle 5: Respond to notifications of Illegal content or conduct			
According to the self-declaration:			
	<i>Yes (relevant quote)</i>	<i>No info provided</i>	<i>Not applicable (relevant quote)</i>
Does the provider indicate in the self-declaration that effective processes are in place to expeditiously review and remove offending content upon receipt of notification of alleged illegal content or conduct?	<p>Yes</p> <p>Sulake community staff, including Habbo and IRC-Galleria, deals with thousands of reports and help requests every week. Reports referring to illegal content and conduct are top priority and are handled urgently. Images, text or other content, which is illegal, are removed immediately upon notice and saved for possible police investigations. Sulake also works hand-in-hand with local authorities and immediately reports illegal content or conduct to them.</p>		
Does the provider indicate in the self-declaration that arrangements are in place to share reports of illegal content or conduct with the relevant law enforcement bodies and/or hotlines?	<p>Yes</p> <p>See above</p>		

Does the provider indicate in the self-declaration that links to other local agencies or organizations, for example that relevant Inhope services and law enforcement agencies are featured?	Yes

Principle 7: Assess the means for reviewing illegal or prohibited content/conduct			
According to the self-declaration:			
Recommendation: Promote compliance with the Terms of Use, Acceptable Use Policy and/or House Rules. For example, by employing:	<i>Yes (relevant quote from the self-declaration)</i>	<i>No info provided</i>	<i>Not applicable (relevant quote from the self-decl)</i>
Does the provider in the self-declaration indicate that it employs human and/or automated forms of moderation?	<p>Yes</p> <p>Both Habbo and IRC-Galleria use human moderation supported by automatic tools to make sure that users in the communities obey the rules and the terms and conditions of the services.</p> <p>Community Management, moderation and player support functions are assessed regularly and a head quarters lead team constantly develops the procedures and ways of working. Even though our online environments are closely moderated and monitored at all times, the best way to maintain and develop user safety is through education. Sulake educates constantly its users about safety issues, such as keeping personal information safe at all times and how to deal with real-life contact requests.</p> <p>IRC-Galleria has an active moderation staff of 10 persons in Finland supported with a part time moderator team. IRC-Galleria moderation is based primarily on user reports,</p>		

	<p>contacts and education. The preventive approach has worked: the amount of photos, which are against the rules, has gone down from 1/500 to 1/1000 during the past three years. The IRC-Galleria moderation team consists of social media experts who have been trained to identify illicit activities inside the community i.e. false accounts, suspicious activities, bullying, threatening behavior and other problematic situations users may encounter. The team has also vast experience in acting in a preventative way when handling privacy related issues. The team also educates users to use the Internet safely.</p>		
Does the provider in the self-declaration indicate that it employs technical tools (e.g. filters) to flag potentially illegal or prohibited content?	<p>Yes See above</p>		
Does the provider in the self-declaration indicate that it provider employs community alerts?	<p>Yes See above</p>		
Does the provider in the self-declaration indicate that it responds to user-generated reports?	<p>Yes User-generated report is the primary source for responds.</p>		
Does the provider in the self declaration indicate that where human moderators are employed, reasonable steps are taken to minimise the risk of employing candidates who may be unsuited for work which involves real-time contact with children or young people?		X
