**"Future Networks 4th FP7 Concertation Meeting" Survey [referred as "survey" in the text]**

### **1. Objective**

The objective of this survey is to receive the views of people who attended the Future Networks 4<sup>th</sup> FP7 Concertation Meeting, under the responsibility of the Head of the Unit "Management Support", Directorate "General Affairs", Directorate-General Information Society and Media, acting as the Controller.

As this online service collects and further processes personal data, Regulation (EC) 45/2001, of the European Parliament and of the Council of 18 December 2000 on the protection of individuals with regard to the processing of personal data by the Community institutions and bodies and on the free movement of such data, is applicable.

### **2. What personal information do we collect and through which technical means?**

#### **Identification Data**

#### **Identification Data**

The personal data collected and further processed are data necessary for the participation to the "survey", these are: name and surname, e-mail address, type of project involved in, organisation profile, organisation location, including their views on the topics concerned.

The processing operations on personal data linked to the organisation and management of this survey are necessary for the management and functioning of the Commission, as mandated by the Treaties, and more specifically articles 5, 7 and 211 - 219 of the EC Treaty.

#### **Technical information**

The survey system uses session "cookies" in order to ensure communication between the client and the server. Therefore, your browser must be configured to accept "cookies". However, it does not collect personal or confidential information of any kind, nor any IP address from your PC. The cookies disappear once the session has been terminated.

If you decide to send in an additional position paper by email, your reply and personal data will be collected through the e-mail of the European Commission. The e-mail system of the European Commission abides by the security decisions and provisions established by the Directorate of Security of the European Commission.

### **3. Who has access to your information and to whom is it disclosed?**

The access to all personal data as well as all information collected in the context of this consultation will not be published on the Internet and is only granted through UserId/Password to a defined population of users, without prejudice to a possible transmission to the bodies in charge of a monitoring or inspection task in accordance with Community legislation. These users typically are members of the Unit organising the consultation inside DG Information Society & Media.

No personal data is transmitted to parties which are outside the recipients and the legal framework mentioned.

The European Commission will not share personal data with third parties for direct marketing.

#### **4. How do we protect and safeguard your information?**

Your replies are recorded in a secured and protected database hosted by the Data Centre of the European Commission, the operations of which abide by the Commission's security decisions and provisions established by the Directorate of Security for this kind of servers and services. The database is not accessible from outside the Commission. Inside the Commission the database can be accessed using a UserId/Password. Access to the application is via a non-encrypted connection using the normal http protocol.

#### **5. How can you verify, modify or delete your information?**

In case you want to verify which personal data is stored on your behalf by the responsible controller, have it modified respectively corrected or deleted, please contact the Controller by using the Contact Information below and by explicitly specifying your request.

#### **6. How long do we keep your data?**

Your personal data will be part of a list of contact details shared internally amongst the staff of Commission for the purpose of contacting you in the future in the context of the Commission activities. If you do not agree with this, please contact the Controller by using the Contact Information below and by explicitly specifying your request.

Your personal data will remain in the database until the results have been completely analysed and will be rendered anonymous when they have been usefully exploited, and at the latest after 1 year from the end of the survey.

#### **7. Contact Information**
