

08.00 – 09.00

Registration

09.00 – 10.15
Amphi

Opening Plenary: *Commissioner V. Reding, L. Chatel (FR Secretary of State), D. Ranque (CEO Thales), J.J. Queyranne (President Rhône-Alpes Region), G. Collomb (Mayor of Lyon)*

10.15 – 11.00

Opening of Exhibition

11.00 – 12.30
Amphi

High Level Plenary: *Setting the ICT agenda for the next decade
Commissioner V. Reding, L. Chatel (FR Minister of State), B. Verwaayen (CEO Alcatel-Lucent), H. Goddijn (CEO TomTom), E. Aho (Former FI Prime Minister), M. Cosnard (CEO INRIA)*

12.30 – 14.00

Lunch break

14.00 – 15.30

« Inventing the future »

3a

Towards new bio- and nano-frontiers for ICT

Amphi

3b

Sensing, understanding Robotics

Auditorium Pasteur

3c

Visions of Future Computing and Communication Paradigms

Auditorium Lumière

3d

Clustering for excellence

Grand Salon Prestige

3e

ICT infrastructure for science: Virtualising Global Research

Salon Pasteur

3f

International Co-operation in ICT Research

Gratte Ciel

15.30 – 16.00

Coffee break

16.00 – 18.00
Amphi

« ICT Excellence Matters »

16.00 – 16.40

Part 1 - Keynote

A. Fert (Nobel-prize winner)

16.40 – 18.00

Part 2 - Panel discussion

E. Ormala (Nokia), G. Declerck (IMEC), J. Stern (ANR), L. Heuser (SAP), W. Hall (Univ. Southampton), J. Sifakis (CNRS), M. Sadler (HP), J.-P. Chapel (Moderator), F. Colasanti (European Commission)

08.00 – 09.00

Registration

09.00 – 10.30

ICT Work Programme 2009-2010

WP obj FET Proactive (I)	WP obj 1.4	WP obj 1.1	WP obj 2.1	WP obj 3.1 & 3.2	WP obj 3.6	WP obj 6.1 & 6.2	WP overview & instruments
-----------------------------	---------------	---------------	---------------	---------------------	---------------	---------------------	------------------------------

**Ambient
Assisting
Living**

Index of WP Objectives

10.30 – 11.00

Coffee break

11.00 – 12.30

Innovation & Creativity I

7a ICT in the FP supporting SME Growth <i>Gratte Ciel</i>	7b Well-being for all: Lead Market Initiative <i>Grand Salon Prestige</i>	7c The Expanding Information Universe <i>Salon Pasteur</i>	7d Sustainability I: Energy efficiency <i>Auditorium Pasteur</i>	7e Future Internet Part 1: European Challenges for the Future Internet <i>Amphi</i>	7f Alternative Paths for Components and Systems <i>Auditorium Lumière</i>
--	--	---	---	---	---

- 1.1 Network of the Future
- 1.2 Internet of Services,
SW & virtualisation
of resources
- 1.4 Trustworthy ICT
- 1.6 Future Internet Research
and Experimentation
- 2.1 Cognitive Systems
and Robotic Systems
- 2.2 Language Based
Interaction
- 3.1 Nanoelectronics
Technology
- 3.2 Design of
Semiconductor
Components and
Electronic-based
Miniaturised Systems
- 3.3 Flexible, Organic and
Large Area Electronics
- 3.4 Embedded Systems
Design
- 3.5 Engineering of
Networked Monitoring
and Control Systems
- 3.6 Computing Systems
- 6.1 ICT for Safety and
Energy Efficiency in
Mobility
- 6.2 ICT for Mobility
of the Future

12.30 – 14.00

Lunch break

14.00 – 15.30

Innovation & Creativity II

8a ICT SME, bridging the investment gap in Europe <i>Gratte Ciel</i>	8b Well-being for all: Ageing Well by 2020 <i>Grand Salon Prestige</i>	8c Creatively learning and learning to be creative <i>Salon Pasteur</i>	8d Sustainability II: ICT to cope with a Changing Climate <i>Auditorium Lumière</i>	8e Future Internet Part 2: Future Internet & Services for Citizens <i>Amphi</i>	8f A Trustworthy Information Society <i>Auditorium Pasteur</i>	<i>WP session on eInfrastructures (Capacities Programme)</i>
--	---	---	---	---	---	--

15.30 – 16.00

Coffee break

16.00 – 17.30

ICT Work Programme 2009-2010

WP obj FET Open	WP obj 1.2	WP obj 2.2	WP obj 3.4, 3.5	WP obj 1.6	WP obj 3.3	"How to submit a proposal"
--------------------	---------------	---------------	--------------------	---------------	---------------	----------------------------

**ICT PSP
in CIP**

17.45 – 18.30

Amphi

Keynote: "I" made it happen

Karin Schütze (PALM GmbH), Patrick Sheehan (EVCA) to "set scene"

08.00 – 09.00

Registration

09.00 – 10.30

ICT Work Programme 2009-2010

**ARTEMIS
JTI**

WP obj FET Proactive (II)	WP obj 1.3	WP obj 3.9	WP obj 6.3 & 6.5	WP obj 4.1 & 4.2	WP obj 5.1 & 5.2	WP obj 7.3	WP overview & instruments

10.30 – 11.00

Coffee break

11.00 – 12.30

ICT Work Programme 2009-2010

**ENIAC
JTI**

WP obj 6.4	WP obj 5.3 & 5.4	WP obj 7.1 & 7.2	WP obj 1.5	WP obj 3.7 & 3.8	WP obj 4.3	"How to submit a proposal"	
------------	------------------	------------------	------------	------------------	------------	----------------------------	--

12.30 – 14.00

Lunch break

14.00 – 15.00
Amphi

Keynote: I's to the Sustainable Future

J.-M. Cherry, CTO, ST Microelectronics & J. L. Del Valle, CEO Scottish Power

15.00 – 15.15

Presentation of Exhibition Awards

15.15 – 16.30
Amphi

Closing: Impact through policies

FR Ministers C. Lagarde & V. Pécresse, A. Peltomäki (DG INFSO),
M. Harbour MEP, O. Liška (CZ Minister), E. Srebjer (VP of EIB)

Index of WP Objectives

- 1.3 Internet & Things for enterprise environments
- 1.5 Networked Media & 3D Internet
- 3.7 Photonics
- 3.8 Organic Photonics and other Disruptive Photonics Technologies
- 3.9 Microsystems and Smart Miniaturised Systems
- 4.1 Digital libraries and preservation
- 4.2 Technology-Enhanced Learning

- 4.3 Intelligent information management
- 5.1 Personal Health Systems
- 5.2 ICT for Patient Safety
- 5.3 Virtual Physiological Human
- 5.4 International Cooperation on Virtual Physiological Human
- 6.3 ICT for Energy Efficiency

- 6.4 ICT for Environmental Services and Climate Change Adaptation
- 6.5 Novel ICT solutions for Smart Electricity Distribution Networks (Joint Call ICT-Energy)
- 7.1 ICT and Ageing
- 7.2 Accessible and Assistive ICT
- 7.3 ICT for Governance and Policy Modelling
