

ICT for BIO-Medical Sciences 2006

Rooms	Time	Registration desk	Foyer	S3	S1	S2	S4	S5
Floor		0	2	2	0	0	1	1

Webcasting

June 29	08:30-10:00	Registration	Coffee / Demonstration					Press Room
	10:15-11:00			Opening				
	11:45-12:45			Plenary				
	12:45-14:00		Lunch / Demonstration					
	14:00-16:30			Session 2 BIO-Medical informatics	Session 1 Multilevel Modelling and Simulation of human physiology & disease related processes - Virtual Physiological Human	Session 3 Biomedical imaging		
	16:30-17:00		Coffee / Demonstration	end of Webcasting	Coffee (Foyer S1 - S2)			
	17:00-18:30			Concertation Meeting 2 Integrated biomedical information for better healthcare	Concertation Meeting 1 Simulation and modelling of human physiology & disease related processes	Concertation Meeting 3 HealthGrid - Health information infrastructure, applications and biomedical imaging		
	18:30-20:00		Cocktail / Demonstration					
							Room available (non bookable) for use for one to one or small groups meetings	

ICT for BIO-Medical Sciences 2006

Rooms	Time	Registration desk	Foyer	S3	S1	S2	S4	S5
Floor		0	2	2	0	0	1	1

Webcasting

June 30	08:15-09:00	Registration	Coffee					Room available (non bookable) for use for one to one or small groups meetings	Press Room
	09:00-10:30			Plenary					
	10:30-10:45		Coffee		Coffee (Foyer S1 - S2)				
	10:45-13:00			Session 5 HealthGrid – from infrastructures and databases to applications	Session 4 Modelling and simulation of human physiology and disease related processes – Systems biology	Session 6 Bio-Inspired ICT			
	13:15-14:15		Lunch						
	14:15-15:30			Conference conclusion and presentation of the summaries of different parallel sessions by the rapporteurs					
	15:30-15:45			Closing of the conference					

Satellite events	16:00-18:00				Working Group - Digital Human - Multilevel Modelling, Simulation and Visualisation of human physiology and pathophysiological processes	Workshop Impact of Emerging ICT on Patient Safety
