**Addendum to the response from the Danish Business Authority to:
Questionnaire for the public consultation on the revision of the rec-
ommendation on relevant markets**

As stated in the response to questions 11-12 submitted by the Danish Business Authority 4 January 2013, the Danish Business Authority together with the French regulator (ARCEP) has now completed a document that strongly advocates that SMS termination should be included in the next recommendation on relevant markets.

If the European Commission has any questions to the Danish Business Authority please do not hesitate to contact Morten Blad Johnsen, mobljo@erst.dk.
