

The Science and Technology Facilities Council

Square Kilometre Array

- Synchrotron Radiation Source
- Lasers
- Space Science
- Particle Physics

STFC

250m

Large Hadron Collider

Data Management

Communications

Daresbury Laboratory

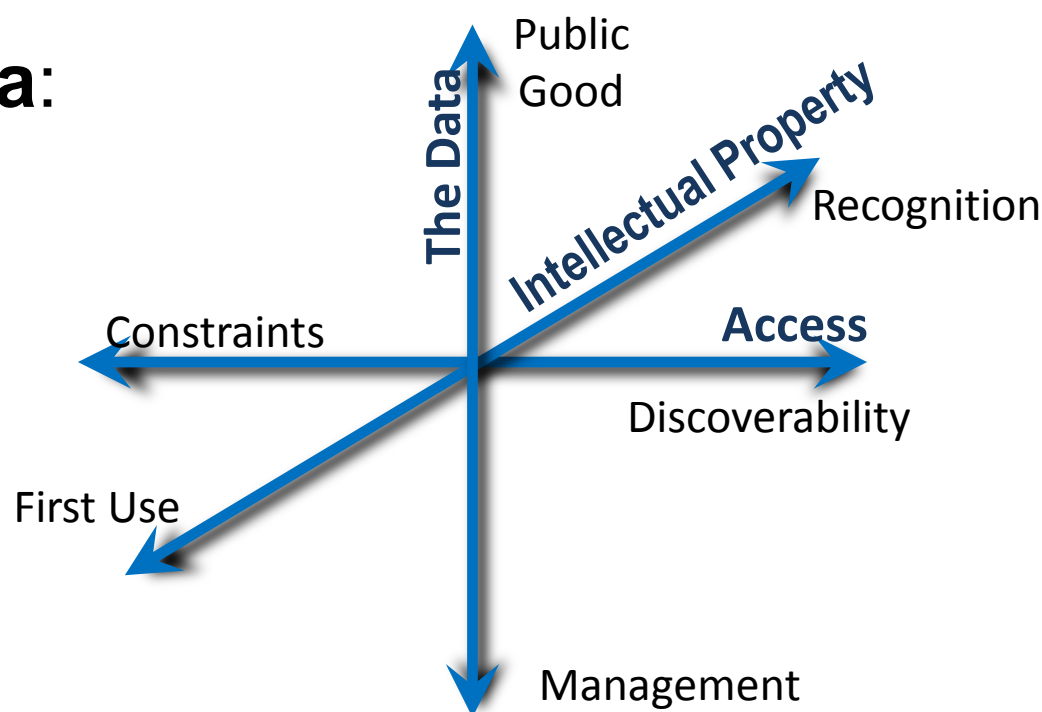

ESRF & ILL, Grenoble

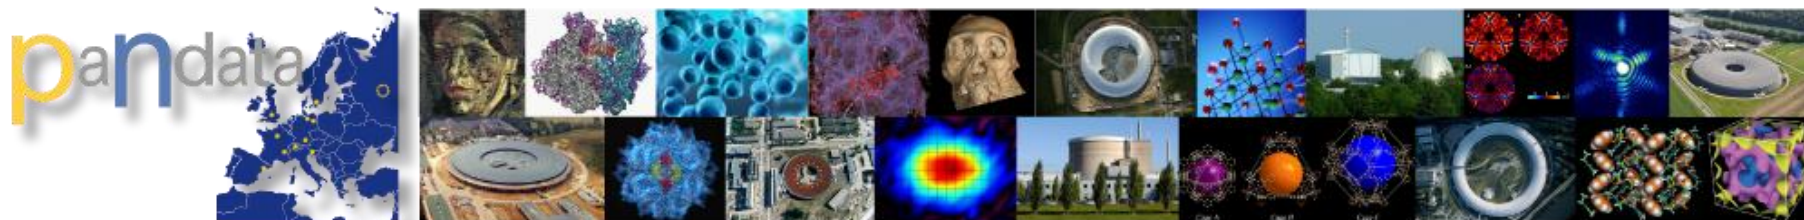

RCUK Principles on Data:

Data are a Public Good

- Data should be managed
- Data should be discoverable
- There may be constraints
- Originators may have first use
- Reusers have responsibilities
- Data sharing is not free

PaNdata — Photon and Neutron Open Data Infrastructure

The Research Data Alliance

Research Data Sharing
without barriers
