At any time you can also visit the:

Exhibition hall: +180 projects showcase the latest findings in technology research.

Students corner: youngsters demonstrate their IT skills, and teams will compete in a Hackathon

Investors' forum: sessions to support for start-ups, including coaching and pitching with investors

Networking & Work Programme hall: get to know the ICT priorities within the Horizon 2020 funding scheme.

ICT & Art performances on stage throughout the event (see schedule).

A **press working room** is at your disposal if you want to use a computer, print a document, meet with and receive support from our media team: **Room 5.2**.

You need help? Just ask and we will arrange something for you - such as a tour of the exhibition or a meeting with a speaker, a policy or a science expert? **Get in touch with our press & media team**.
