

Closing

**Exploratory seminars on e-signatures
for e-business in the South
Mediterranean region**

Barcelona 22-23.1.2013

Martin SPÄT and Gérard GALLER
**Directorate-General for Communications Networks,
Content and Technology**
European Commission

Next steps

- Explanatory seminars have been able to identify the potential & the potential solutions to promoting e-signatures in the EUROMED region
- They represent the voice of some of the key stakeholders involved
- They provide the input for next steps, which will indeed need to be more of a political nature & be seen as a consensus among the various actors identified in the recommendations
- Recommendations to be made available to the interested parties and on website.
