- **Reinforce** the ICT network by promoting **trans-national cooperation**

- Identify, promote and share **good practices**

- Deliver **tailor-made** twinning and training **measures** to ICT NCPs and other H2020 stakeholders

- Provide **partner search**, pre- and full **proposal quality support**

- Provide focused **support** for SMEs in the ICT sector and organisations **new to H2020**

- Provide new and enhanced **tools** for NCPs are H2020 proposers

European Commission

Partner Search Service

Step1
Proposer inserts a new
Partner Search online

Step2
PS is checked by local representative
& Quality Team according to
subjective & objective criteria:
Quality Label

Step6
PS is closed & Proposer
fills in feedback form

Step3
PS is published & distributed to
subscribers of national mailing list
(~85,000 contacts)

Step5
Proposer replies to EoIs
(Standard reply form)
& chooses partner(s) to
build consortium
(98% success rate)

Step4
Potential partner send EOIs
(Expression of interest) to
proposers (on avg. 50 per
PS)

Why Launch a Partner Search?

- Increase **awareness**

- Present your **potential**

- Find specific **expertise**

- Find partners **abroad**

- Create **added value** with a new partner

- **Expand** into another challenge

- Get **valuable input** from the Quality Team

- Find a **coordinator** for your project idea/proposal

European Commission
