**Subject: INVITATION TO TENDER:  
STUDY ON "THE FUTURE OF INTERCONNECTION CHARGING METHODS" -  
SMART n° 2009/0014**

**LIST N° 2 WITH QUESTIONS AND ANSWERS**

---

**Question:** We are considering to include external experts as sub-contractors and want to make sure that according to section 2.4 of the tender specifications, the external experts should only provide Annex 6b and not annex 1 and 4. Is this correct?

**Answer:** Your understanding of section 2.4 of the Tender Specifications is correct: the necessary provisions of Annex 1 and 4 have been included in Annex 6b for individual external experts.
